Applicant Contribution:

1. Please describe how your skills and expertise will support your ability to serve effectively as a member of the SIA Board.

2. Please tell us why you are interested in serving on SIA's Board and what appeals to you about being a part of this organization?

Applicant Profile:

Please either attach a biography and resume or answer the following 4 questions:

1. Educational Background

- Please indicate the institution attended, degree or credentials attained and year of completion.

2. Professional and Employment Background

- Please provide a chronology of all relevant work experience, starting with the most recent. Indicate employer, your title/position, the dates you held the position, and a summary of your responsibilities.

3. Community Involvement

- Please include the name of the organization served, your position and the dates you were involved.

4. Memberships in professional organizations (if applicable)
